NOTICE TO CAPITALISTS.

I SHALL Proceed to sell to the highest bidder for cash, at the Court House door in the Town of Louisburg, on the 1st Monday in November next, it being the 7th day of the month, some Twenty or Twenty-five Thousand Acres of valuable Land, among which is the well known Portis Gold Mine, lying in Franklin county on the waters of Fishing and Shocco Creeks, containing nine hundred thirty-three and one-third (933⅓) acres together with all the Machinery and appurtenances.

Also all the chattle property. This property is so well known that any particular description is deemed unnecessary. The entire tract is rich in Gold, and all the difficulty is a full supply of water. We are informed that an Independent Water Company is now surveying a ditch from Sandy Creek, to supply this and other Mines in the neighborhood with water. When this is done and it will be accomplished in a few weeks, this property will be immensely valuable. The property will be sold for cash and unless parties from a distance come in competition, it must be greatly sacrificed.

THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR.
JAMES H. MOORE, Assistant and Local Editor.

THURSDAY, OCTOBER 20, 1870.

A CONSERVATIVE CANDIDATE.

For House of Representatives,
DD. J. M. DUNN,
SPECIAL ELECTION 10TH NOVEMBER, NEXT.

DEATH OF THE HON. ROBERT BALLARD GILLIAM.

[The following just tribute to the memory of Judge Gilliam, written by a life long friend and a distinguished member of the bar of this city, came to hand too late for our issue on yesterday, and after our editorial was in type.]—EDITOR.

The painful rumor of the extreme illness of this distinguished and most amiable gentleman, which has saddened the hearts of this whole community for the last three or four days, has terminated in the sad intelligence of his death. After a protracted sickness of several weeks, he died at his home in Oxford about 3 o'clock on Monday night. He was a native of Granville County, by whose people during a life of more than three score years he was loved, admired and honored. For many years he represented the county in the lower House of the General Assembly of which he was at one time the Speaker. He also served as a member of the Conventions of 1835 and 1865. In 1862 he was elected a Judge of the Superior Courts of law and Courts of Equity, and in that capacity served the State with fidelity and ability, until his office was vacated by the results of the war in 1865. In the same year however, he was appointed one of the Judges of the same Courts by Provisional Governor Holden, and was continued in office by the General Assembly, and held it until the adoption of the new Constitution in July 1868. After that time he retired to private life, and devoted himself to the duties of his profession until a few months ago, when he yielded to the solicitations of his numerous friends and became a candidate for Congress in this District at the late election. His election gave to the people of his district and indeed of the whole State, the promise of the efficient services of an able and useful member. We mourn that this promise has been blighted.

Judge Gilliam was a graduate of the University of the State, having taken his A. B. degree in June 1823. In 1838 he was elected one of the Trustees of that Institution, and was always its ardent friend and supporter.

He was twice married, and leaves a widow to mourn the loss of one of the best of husbands. Many relations and a host of friends feel with the deepest sympathy her and their sad bereavement.

The writer closes this brief obituary notice by the solemn declaration, that in his estimation, (the result of a life-long acquaintance) the State has rarely, if ever, lost a citizen of a kinder heart, a more genial temper and a greater excellence of character. B.

STANDARD IN 1864.

In the *Standard* of the 20th of January 1864, the Governor says:

"PROPOSITION TO SUSPEND HABEAS CORPUS.

In the House of Representatives Mr. Gattrell of Georgia, reported, &c. * * *

The Congress of the Confederate States do enact, That during the present invasion of the Confederate States, the President shall have the power to suspend the privileges of the writ of *Habeas corpus* in any city, town or military district, whenever in his judgement, the public safety may require it, but such suspension shall apply only to arrests made by the authority of the Confederate government or for offences against the same.

Sec. 2nd. The President shall cause proper officers to investigate the cases of all persons so arrested in order that they may be discharged if improperly detained, unless they can be speedily tried in due course of law."

Holden said, "If this bill should become a law it will make the President, if he chooses to be so, a dictator. It will silence our judiciary, and close the mouth of our people, with the exception of those who may laud the administration. God save the Confederacy from such madness."

The people of Alamance and Caswell were handed over by Judge Pearson to this very "madness," which Holden prayed should not befall the Confederacy. Shall Holden and Pearson escape the punishment due to their crimes? We have heard but one Conservative voter of the State oppose impeaching them, and he admitted the justice of it, but preferred to rid the State of all its judicial and official curses by a Convention. We know the people of North Carolina will not have it so. They will have the guilty punished by impeachment.

"TOO FOND OF POWER."

We copy from the *Standard* of January 20th, 1864 when Gov. Holden was editor, the following:

"TOO FOND OF POWER.

Such has been the characteristic of every tyrant and usurper from Cesar to Napoleon. Good men are not fond of power. George Washington might have made himself by a word dictator, but he rejected the very thought as degrading to his peerless fame. A good man entrusted with despotic power will soon become a bad man."

This was well said on the part of the Governor, but Burke expressed himself on this subject with much more force and truth. Burke said "arbitrary power was that which no man could give and no man could exercise, for it is an attribute of God, and he who attempted to exercise it was an enemy to God and man."

The Shoffner bill in violation of every principle of American liberty and the plain letter of the Constitution, gave the Governor arbitrary power. He sought and urged the passage of this bill. The Governor says it will make "a good man bad," and he might have added, a bad man a devil, as the good people of Alamance and Caswell experienced, in the Governor's exercise of arbitrary power over these two counties.

Yes, Governor, from your own mouth you are condemned as a bad man. From your own lawless acts and the mouth of Burke you are condemned as an "enemy to God and man."

GEN. DOCKERY.

In another column will be found the letter of Gen. Dockery in reply to our inquiries as to his approval of Gov. Holden's State Troop war upon the people of Alamance and Caswell. It will be seen that he ignores the course of Gov. Holden and denies the charge of the Asheville *Pioneer*.

The General takes the opportunity afforded him, to give a word of warning to the Democrats and Conservatives of the General Assembly. Where he gets the idea that the Conservatives anticipate much *fun* in the General Assembly and that they have an elephant to tame, we are not aware. We regard the work and the duty of the General Assembly as very solemn, very important, and very necessary. The General and all the moderate Republicans have found that the carpet bag Radical elephant they caught, is an unmanageable animal. They were not able to tame him. Are they anxious to turn him over to us to tame? We cannot undertake such dirty work. We propose to cut his trunk and his tusks and turn him adrift, to be driven out of the State by such Republicans as Gen. Dockery.

But to be serious. We propose to impeach the Governor for his lawless, wicked and unconstitutional conduct, and along with him Chief Justice Pearson, for his lawless and wicked acts and his complicity with Gov. Holden. Does not Gen. Dockery and other sober Republicans think, they richly merit it, and that justice and propriety demand that it should be done, not only for their punishment, but to teach Governors and Judges through all time not to follow their example? We see no *fun* in this, but simple duty and simple justice.

Moreover, we propose that the General Assembly at an early day shall call a restricted Convention, to amend the present Radical Constitution in certain specified particulars. We conceive the present Constitution is anti-republican, is an affliction to the people, white and colored, in that it imposes a system of judicature, a system of education and a system of charities, which must entail upon them a burden of taxation too intolerable to be borne.

Does not Gen. Dockery prefer our old Court system to the present vexations and expensive one? Was he not better satisfied with our old County, Superior Courts of Law and Equity and Supreme Courts, than the present? Would he not prefer our old revised statutes and course of procedure, modified to suit our present wants, than the new Code of Civil Procedure? Does he not prefer our old system of County government to the new system of County and Township government? Would he not prefer to see the University re-organized upon its old basis, with such improvements as the times require,—to the present mishapen failure under Mr. Pool and his Professors? Would he not prefer to see our Public Schools, both for black and white, brought within a manageable and safe compass? Does he believe it is best that the State should provide for the education of all the children of the State between the ages of 6 and 21 as now required, or that it should undertake to educate all between the ages of 6 and 14 or 16, and then encourage them to learn that essential part of an education, to *know how to work* after that? Does he not think that stronger guards should be thrown around the powers of the Governor and of the Public Treasury, to prevent the repetition of the lawless acts of the Executive and the robberies and stealings of the public money, we have had? Is he not in favor of economy in the administration of the State government or does he favor its waste and extravagance? Does he not think, that while the State is in debt and without credit, that it is more respectable and more honest that the State should limit its *charities* to those who are *needy*, rather than adopt the present extravagant and dishonest course of the Radicals?

Does he not think that the General Assembly should go to work to enable the State to reform the abuses of the Constitution and save the State from ruin? There is no *fun* in all this, and yet this is all the Conservatives propose to do. We are glad that he desires harmony among all the people. Will not he and those who think with him, come and help us do these things. The ship of State has lost her reckoning and gotten on a lee-shore. Will he not help us to get her off into safe soundings? That is all we want.

We fully accord with him in what he desires in reference to our colored people. The Democrats and Conservatives have no desire to infringe any right they now possess—rather they desire to see them properly appreciate their position as citizens, and no longer be led by men who seek no good for them or for the State, but for themselves. We have good hope that Gen. Dockery and all sound, honest Republicans, will help us redeem the State from carpet-baggers, scallawagery and thieves of every hue! Come on General!

STATE DEBT.

We hope the General Assembly will at an early day appoint a competent committee to investigate fully, the amount of the public debt of North Carolina, what is justly due and what is doubtful, with all the facts connected therewith in order to a proper understanding of the whole question, together with suggestions in reference to the future management of the debt.

We have several times suggested that in order to maintain the credit of the State and vindicate her reputation for honesty, the General Assembly after ascertaining the real indebtedness of the State, should fairly and honestly estimate our ability to pay, and should at once propose to our creditors such terms of compromise as would satisfy those who are reasonable men, and within the ability of the State to pay promptly, both interest and principal, as they might fall due.

We are aware that there are many who believe that the State could and should *honestly* repudiate the entire public debt, because as they very plausibly affirm, the past credit of the State was based upon the only real valuable property then in possession of our people, and that that property, was, by a power which they could not successfully resist, made worthless to them, without their consent. To ordinary minds such an argument has great force, we admit, but we hold that States and other corporations should always be placed on the same footing in matters of debt, that individuals are. Entire inability to pay is a sufficient excuse for non-payment, but not for a positive *refusal* to pay. Moreover, it is a good plea, when it can be made truthfully, that the obligation lacks the essential element of having been created without a valuable consideration paid for it. But misfortune is not a sound plea, either legally or morally, for a refusal to pay altogether. Misfortune, however, is a sound basis for *compromise*. This is our condition and we ought to urge it, not only as a cause, but as a necessary condition to compromise.

We are glad to see that our views have struck with some force a creditor of the State abroad, who sends us the following letter in response. We doubt not that all the just creditors of the State would be ready to compromise, as soon as the Legislature says positively what it will do. And we think the State should at once say, *When it will pay*, and *what it can pay*. Read the letter:

MR. EDITOR: I have read with satisfaction your remarks on the State debt contained in the SENTINEL of the 12th inst. Although I am not a resident of North Carolina I am one of her creditors. Early in the war I purchased to a considerable amount, her bonds, issued before the war, at a price not much below their par value. My preference of North Carolina securities over those of other Southern States was the result of my having always entertained an extra confidence in the honesty and honor of her people. To such extent was my confidence that I purchased no securities of any other State.

I concur in the propriety of your views as expressed in the SENTINEL of the 12th inst., and only desire now to add the expression of my sense of the importance to the State and her creditors, that the Legislature at its approaching session, should promptly consider the subject, and without unnecessary delay, inform the creditors of North Carolina, what the State *can do* and what the State *will do*. AMICUS.

BEG YOUR PARDON PILGRIM.

We were partly in error in attributing to Pilgrim Ashley *all* of the editorial to be found in the *standard*. We learn that Professor Martlin disappeared from Chapel Hill after cutting down some of the venerable oaks for fire wood and working his garden harshested. He has been contributing to the *Standard*, and he it is we are told who complained so bitterly of "*social ostracism.*"

Martlin is the brother-in-law of the old cider-colored Pilgrim. Like his brother in-law the Pilgrim, he has had much more notice and favor from the people of North Carolina than he is entitled to. Go home Martlin, get all the fire wood you can this winter by cutting down venerable shade trees which do not belong to you, for this is your last winter as Professor at the University. Put on your shoes, pick up your carpet bag and begone.

For the Sentinel.

GEN. ALFRED DOCKERY.

MR. EDITOR: A friend invites my attention to an article in the SENTINEL of the 8th inst., (my own copy failed to reach me,) which includes a paragraph from the Asheville *Pioneer*, in the defence of Gov. Holden's State troop policy, in which it is said, Senators Pool and Abbott, and Settle, Dockery and Mott sanctioned and advised the measure calling for the militia to put down the Ku Klux Klan & Co. Like you, I do not know whether Col. Dockery is referred to or myself. If to me there is a mistake some where. I have always spoken in such plain and strong terms of disapprobation of the whole movement, I supposed no one could misunderstand me. I am sure the Governor does not.

Col. Dockery can speak for himself. I presume Gov. Holden could state that the Colonel informed him that he would not support his militia bill, and that he, the Governor said, that if the Colonel did not support his administration, he would have him defeated for Congress.

The *Pioneer's* informant may have confounded my views on a properly organized militia with the Governor's State troop policy. I have and do yet advocate a constitutional militia as existed from the days of General Washington to the late rebellion, and regard the Governor remiss in his official duty in not organizing such a militia among the earliest of his administration acts, but can see no similarity between such a militia and our Governor's Tennessee army. The services of such a militia as I have attempted to describe, might well be required at this time in the county of Robeson, to suppress the roving bands of white, yellow and black robbers and murderers who in defiance of the law and its officers, traverse the country in open day, striking such a degree of terror into the minds of the people, they are when robbed afraid to let it be known.

I have no complaint against the *Pioneer*. His defence of the State administration will be found a task Herculean enough for any one man.

We hear Mr. Editor, extravagant reports of the gaily times the approaching Legislature is to have. I must call during the show and see some of the fun. If is said you have the *Elephant* to tame. Advise your friends to be careful or the unruly animal may smash up all their crockery before the tricks are all through. Don't forget, by no means forget, that though you have a large majority in the Legislature, a majority of the voters of the State when relieved from the dead weight they had to carry at the last election will beat you from ten to twenty thousand in the State, and that the third district alone can give two thousand majority for the Republican party. Were it in my power it would afford me the greatest pleasure as the last crowning act of my now pretty long life, to aid others in softening and moderating the bitter prejudices that divide the people of our State. I recognize in both parties high toned gentlemen, noble patriots, all aiming to promote the best interest of the State, honestly differing in the best mode to accomplish it. The poor man without regard to color should be educated to believe he is appreciated as a citizen, and his rights respected and protected. The man of wealth, that as a contributor of his substance to the moving forward of the machinery of government as well as his simple citizenship, all are ready to afford him and his the most ample and equal protection.

The man of attainments in the learned professions cannot be dispensed with without damage to the country and every interest in it. In the distribution of government patronage, let honesty and competency be the only passport.

I had no idea of writing to pr for the SENTINEL, but your respectful enquiries entitle you to this answer. Yours,
ALFRED DOCKERY.

Market active at 13½ to 13¼ cents.

PICK POCKETS.—Yesterday, at the Fair Grounds, a number of these gentry seemed to have been at work. We heard of several ladies and gentlemen losing their pocket-books and other articles. Twenty or thirty ladies had their pockets picked and all their money stolen.

EX GOV. VANCE is in the city and is stopping at Blair's Exchange Hotel.

GAME FOWLS.—Our old friend J. G. Arrington of Hilliardston, Nash county, has done us the honor to send us a trio of his fine "Stone fence" Game Fowls, a rooster and two pullets, magnificent in form &c., which he says he sends us in token of friendship and as an emblem of true patriotism. We are much obliged and comply with his request.

SMALL MEETINGS.—Gentlemen attending the Fair we regret to see, are so much taken up with the various entertainments given in the city at night, that they fail to attend the important meetings of the Society held every night in the House of Representatives. We regard these meetings as an essential feature and absolutely necessary to the keeping up of the Society. We would suggest, that the Society should provide before adjourning, for the erection of a building or large shelter, on the Fair grounds, for the holding of these meetings and for the accommodation of audiences to hear the addresses, during the day. It is possible, that much business cannot be done at the Fair, at night, because of the many attractions to call off the people from business.

MEMORIALS OF GEN. LEE.—At a meeting held at Graham, N. C. on the 17th inst., many citizens assembled to do honor to the memory of Gen. Lee. Capt. G. D. Cobb was called to the chair and Capts. Bason and Albright acted as Secretaries. The object of the meeting was explained by J. S. Scott, Esq., and a committee appointed to prepare resolutions. In the absence of the committee Capt. Jas. A. Graham being called on made an excellent speech, passing a high eulogy upon the life and character of Gen. Lee. The committee reported a series of appropriate resolutions, pending their consideration, the meeting was addressed by Rev. A. Currie, Capt. Jas. D. Bason and Capt. G. D. Cobb. The resolutions were unanimously adopted, and the meeting adjourned.

LOST.—On yesterday, near the main entrance or inside of the Fair Grounds, a red silk purse, containing $40 or $50, with papers valuable only to the proper owner. Any one leaving the above named property at this office, will be liberally rewarded and no questions asked.

A NEW IDEA.—Mr. C. B. Edwards of this city issues a neat little paper daily, called the "*Fair-Week Advertiser*," filled with advertisements for the city merchants &c. which is distributed gratuitously.

ADDRESS OF REV. DR. PAILLIPS.—The annual address by Rev. Dr. Phillips of Davidson College, will be delivered to day at the Fair Ground. The public may expect a rich treat on the occasion.

MECHANICS FIRE CO. No. 2.—The members of Mechanics Fire Co. No. 2 are hereby ordered to meet at the Engine House, in full uniform, this afternoon at precisely 1½ o'clock for parade. No one excused.

By order of the Foreman,
H. C. HARRIS, Sec'y.

Noticeable among the art features of the Fair are the splendid pianos and the organ exhibited by Mr. Nash of Newberne.—"Weber" and "Dunham" have become almost household words among our seminaries and musical circles. Under the skillful manipulation of our friend Mr. Bowers, the powers and capacities of each were fully brought out.

ENTERTAINMENTS.—Every seat in Tucker Hall was filled last night. Macarthy at Metropolitan Hall also had a full house.

PERSONAL.—We regret to say, the press of the State was not as fully represented as we desired to see. We were pleased to see on the Fair Grounds Mr. Yates of the Western Democrat, on Tuesday, and yesterday Mr. P. F. Duffy of the Greensboro' Patriot, Maj. J. A. Englehard of the Wilmington Journal, Mr. Uzzle of the Roanoke News and Mr. Hanes of the Old North State, were on the ground.

PANIC-STRUCK BEAUTY.—It is a terrible shock to a charming woman—indeed, to *any* woman, to find that her teeth are "beginning to go." *Never* will any human being who uses the fragrant SOZODONT, make *that* discovery.

Save and mend the pieces, use "SPALDING'S GLUE."

AGRICULTURAL IMPLEMENTS.

The entries in this department are very fair; among them some very meritorious articles recently patented, improvements on others, that attracted general attraction and which will be more particularly noticed by us, at leisure, after the Fair.

Among the contributors in this department we noticed:

James M. Towler of this city, as Agent for a number of manufacturers, carts, plows, harrows, shellers, cutters, threshers, apple mills, &c.

Mr. Thompson of the Eagle Foundry, Tyro, Davidson county, had forty seven entries consisting of mowers, shellers, plows, and in fact almost every thing in the line of agricultural implements.

Farmer and Wainwright of Wilson, exhibited plows.

Wray, as agent for Child's patent saw mill, exhibited a mill which we look upon as superior to any other we have seen in use.

Of hay and cotton presses there were three contestants for the prize—Uttley's, Ingersoll's and the Virginia.

W. T. Adams and Son of Raleigh, had on exhibition a variety of plows from their foundry.

Dunn & Riggan of Forrestville, exhibited plows.

B. P. Williamson had on exhibition from his brass and iron foundry in this city, plows, reaper and mower, shellers, harrows, cutters and other articles, among them a grate for common fire places, the proprietorship of which is in Mr. J. B. Gales of this city, of which we shall speak more particularly hereafter.

Mr. D. W. Williams of this city exhibited his machine for bending fellows, and showed the operation of bending.

Mr. Hege of Friedburg, Forsyth county for himself and as agent had several very useful machines and improvements, among them a thresher and separator, sugar cane cleaner, circular handsaw, cutter &c.

Mr. Sam Rowland of Wake showed what we may call a native cotton gin, also a model of hay and cotton press.

One of the most useful inventions recently patented is that of a fan blower for blacksmiths, which is destined to supercede the old bellows altogether. We shall notice this more at large hereafter.

We doubtless overlooked many articles in this department as well as in others, to which we hope exhibitors will call our attention to-day and to-morrow.

ARTS HALL.

In this department we noticed a fine lot of upper and sole leather by W. G. Norwood of Hillsboro.

A lot of cypress shingles from Eastern North Carolina.

A newly patented double action pump, by James S. Purefoy, agent. This is an excellent pump; works with metal valves without packing, and may be used in the ordinary way, or with hose.

Tanned buckskins, native persimmon plane stocks, exhibited by Mr. Shultz of Salem.

This gentleman has a great variety of articles at the Fair—bees, furniture, fancy work and other things, to be noticed hereafter.

Mr. S. C. Shelton of Buncombe county exhibited a fine sample of bright, yellow, coal-cured tobacco, the growth of that county. This is something new, Buncombe competing in tobacco with Warren and Granville.

Samples of manufactured tobacco were exhibited by, Walker, Jones & Co., of Newbern and A. Hobgood of Granville, and fine smoking tobacco of the "Jo. Turner" and Durham brands, by E. W. Morris of Franklinton.

Bleaching and yarn from Beaver Creek Factory.

Plaids, bed ticking, cottonade, yarns, of superior quality and very beautiful, from Graham and Haw River factories.

Our space is exhausted. We will finish up this and other departments to-morrow.

THE FAIR yesterday, was crowded with visitors. Not less than eight thousand, we judge, were within the enclosure during the day, and in the various halls there was a perfect jam nearly the whole day. Pickpockets were busy, and several ladies and gentlemen were relieved of their purses. It is pretty certain, from certain ascertained facts, that the thieves were females.

We noticed on the grounds yesterday ex Gov. Vance, Gen. M. W. Ransom, Lt Gov. Caldwell, Gen. Clingman and many other prominent citizens of the State and some from other States. A large number of persons arrived by the trains last night, and the attendance to-day will be much larger than yesterday. The Fair is not only a success, but a grand success.

PROGRAMME OF TO DAY.

10 o'clock, A. M. trial of speed.
11 " " Address by Rev. Dr. Charles Phillips, of Davidson College.
1 o'clock, P. M. practice of horses, &c.
2 " " trial of speed.

FOREIGN.

VERSAILLES, Oct. 19.—Official advices from Epinal announce that the new French corps which arrived there a few days ago (had) at last went to Belfort and took by rail to Dijon. The population are conciliatory. The Prussians occupy Vesoul, 27 miles from Besancon.

TOURS, Oct. 19.—A credit of one hundred thousand francs is opened by the government for balloon service.

Metun was occupied by the franc-tireurs on the 17th. The Prussians are levying heavy contributions under threat of destruction of towns. Troops in large numbers continue to pass through Tours northward.

LONDON, Oct. 19.—The Vienna correspondent of the "Standard" says: Prussia is after the acceptancy of terms of peace which reduces her of a winter campaign. It is universally believed that the general bombardment of Paris has been postponed for a fortnight. The Prussians have great difficulty in suppressing lawlessness in their rear and around them.

The expected battle at Orleans occurred. The French fled after six hours fighting leaving the bridge over the Loire in tact. The Bavarians pursued some miles out.

The Germans are now fed from supplies captured in Normandy and Orleans.

FLORENCE, Oct. 19.—After interviewing at Rome, Thiers left for Tours with the cordial sympathy of the people and the government.

Wednesday Night Dispatches.

TELEGRAPHIC SUMMARY.

The Prussians have crossed the left bank of the Loire. The news from Marseilles is unfavorable; the guard civique are troublesome. At Versailles the Prussians drove 3,000 of the guard mobile from the Critenil on the 13th.

A copy of a dispatch from Bismarck has been received by the Spanish minister at Washington, in which he says the object of the Prussians is not conquest, but to secure a new boundary which will prevent future invasion by the French.

A dispatch says the Prussians have commenced bombarding Chateau Dun. The army of the Duke of Mecklenburg Schwerin, 22,000 strong entered Orleans on Sunday.

Official dispatches say the Prussians captured Chateau Dun after two hours fighting. The French disputed every inch of ground. Nothing official from the armies confronting Orleans. The French are slowly falling back while the Prussians are withdrawing towards Orleans. Tours is filled with French troops just arrived.

A sortie from Paris on the 13th was driven back.

MARKETS.—In New York cotton quoted weaker, sales 4,200 bales Uplands 16; Flour somewhat firmer, no material change to note; Gold 121.

THE MOST VIGOROUS AND PROGRESSIVE COMPANY IN THE WORLD.

The Equitable
LIFE ASSURANCE SOCIETY
OF THE
UNITED STATES
120 BROADWAY, NEW YORK.
BURROUGHS & SPRINGS,
GENERAL AGENTS,
CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.
1. Its cash assets are upwards of $13,000,000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $7,000,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies of deceased members, about $4,000,000.
6. Such payments are made in cash, and not partly in cancelled notes, as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $3,500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start and not postponed until after the lapse of several years, as in many Companies.
12. The society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealing so equitable, that it has never been compelled to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment" policies.
17. The amount of new business during the year ending December 31, 1869, was $36,691,914.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business, as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000,000 greater than any other company.

For the Central and Northern Counties in

NORTH CAROLINA.

The NATIONAL, under the management of his father, P. F. Pescud, Sr., secured very many warm friends who obtained policies for large amounts, and the fact that it has issued upwar s of

10.000 POLICIES,

and nearly doubled its immense Capital of $1,000,000

in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when contrasted with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.

I will be gratified to take applications from my friends and all wanting Policies, and shall want many active and reliable Agents, in the fields assigned me.

FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" so well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen, & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity, economy and durability, astonishes all who see it; and the more so, that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 190,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PACK A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 to 550 lbs.

One man can do the work, only requiring longer time.

It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint room, as may be desired. Thus doing away with baskets, and frequent handling of the lint.

It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

Press complete—Depth Cotton Box 8 feet—Size Bale 4½ feet 12x12x50in.; wt. Bale 400 to 550 lbs

LIFE INSURANCE AS AN INVESTMENT.

THE

Widows & Orphans

BENEFIT LIFE INSURANCE COMPANY

OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON-FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES on the Mutual Cash Plan, declaring Dividends annually after the first annual premium paid. Assets exclusively Cash with no portion of its reserve fund in premium notes, consequently its "reserve" is stronger than that of any Company doing business in this State. No "Definite surrender values guaranteed" as an inducement to new business, but reference is made to the strength, amount paid on each surrendered policy as shown by New York Insurance Reports, 1869 to 70. Evidence of having paid larger surrender values, than has been given under a minimum "Definite Cash Surrender Value." Death losses have not occurred, out of several hundred policy-holders in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. "Definite Dividends" are not declared, but Dividends are given from the actual surplus in accordance with the Company's Charter. The attention of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurances, of the

TONTINE DIVIDEND PLAN:

Ordinary Life Policy Tontine Dividend Plan. Age 38, amount $10,000. 10 years in force. Annual Premium $291 50.	Ordinary Life Policy Mutual plan Cash Co Age 38, amount $10,000. 10 years in force. POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation for judgment of investment, economy of management, and skill and care in the selection of risks,—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, and in part by legal standard of reserve and accumulation used to hold by the Companies to meet all their liabilities.

Insurers, in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.
